

## Langley Fastball Association Return to Play Plan

Langley Fastball Association voted as a board to adopt the Softball BC Return to Play plans as our own, in their entirety on June 10th, 2020 at our scheduled board meeting.

**Please read through the LFA & Softball BC Return to Play Guidelines Here.** - <https://softball.bc.ca/softball-bc-return-to-play-guidelines-and-appendixes/>

**All documents related to our Return to Play plan are posted on our website, so everyone has access.**

With these new guidelines in place we can start to plan for a return to our fields. Our new season will look different but will be safe as the safety of our player and families is always our top priority. All plans will be following the guidance given by ViaSport, Softball BC, and the Township of Langley.

The Return to Play Guidelines include Innings or Phases that we will be abiding by and will only be moving forward through once we have approval from Softball BC. There are no specific dates attached to any Inning.
