

Coach Role

- ❖ Confirm your exact scheduled time and location for all softball activities – communicate with your parent/players.
- ❖ Delegate roles for the following from your own team for all softball activities. If possible, do not assign these tasks to the coaching staff:
 - Attendance Tracker
 - Distance Monitor
 - Injury Attendant
 - Sanitizing Champion
 - Screener
- ❖ Home team to provide appropriate PPE and hand sanitizer for umpires.
- ❖ Remember to bring a mask with you to all activities in case it is needed. Check that the first aid kit is stocked and include disposable gloves. Ensure area to be used has been sanitized and hand cleaning supplies are available for everyone to use before, during and after the activity.
- ❖ Direct team members to your assigned area for practice, games and all softball activities. Ensure that the Distance Monitor is capable of enforcing the maintenance of the current Provincial Health Order recommendations for physical distancing whenever possible during all softball activities. Fill out line-up card for games but do not share copies, have them take a photo of your line-up.
- ❖ Be sure your area has been cleaned, sanitized, all garbage and refuse has been cleaned up before leaving the dugout area. There may be post-practice or post-game meetings as long as all participants wear masks and that current PHO recommendations for physical distancing are observed. Area for post-practice/game meetings is to be determined by each individual LSO. Non-participants are to stay off the field of play and away from the post-practice/game meeting until participants are dismissed.
- ❖ Face masks for all participants are strongly recommended while off the field of play and required when physical distancing cannot be maintained.
