

ROBYN MCISAAC #16

C/SS

R/R

2028 GRAD YEAR

My goal is to play softball through out the college level in the NCAA level and be able to compete in the Olympics for team Canada in 2028. I am a very hardworking athlete and academic student. I strive to be the best at everything that I come across. I have learned how to play through emotions and adapt through challenging moments. I am looking forward to my next steps in softball.
