2028 GRAD YEAR

I am a dedicated athlete who loves softball and wants to continue playing at the post-secondary level. I'm very hardworking and coachable and I want to be the best player and teammate that I can be. Off the field, I bring a positive attitude and make sure everyone on the team feels included and supported. I bring the same attitude to school, where I'm a committed student, involved in service initiatives and co-curriculars. I'm excited to keep pushing myself and growing as an athlete, student, and teammate!
