2028 GRAD YEAR

I am a dedicated player who strives to be the best at anything I do, I am extremely coachable and a great teammate. I am currently in 10th grade at Garibaldi High School and I take part in my schools softball academy. I have been playing softball for 10 years and hope to continue into college, softball has taught me so many important lessons like resilience, leadership, hard work, and team work and I wouldn't be the person I am today without this sport.
